\*Students are ***very strongly*** encouraged to eat at the tournament once we have changed out of uniform (support your own program!!!). After supporting the food court, students may stay to watch the other competing bands or have their parents pick them up from Glover Stadium. An authorized parent/guardian will need to sign their student out at the main gate. Students are not allowed to leave on their own. All students who will need a ride on the bus back to JFK, and any students who plan to ride to and/or from Glover with their parent must notify Dr. Parsons by Wednesday Oct. 16th.
